1. All coins and medals offered in this catalogue are guaranteed to be genuine.
2. **MAIL YOUR BID SHEET EARLY.** The highest bidder will be the successful buyer. In the case of a tie, the earlier bidder will be the buyer. **Bids will be executed below your maximum to the extent permitted by the underbidding.**
3. A **10% BUYER'S CHARGE** will be added to the successful bid price of each lot. This **10% BUYER'S FEE** will be added to the invoice of each successful bidder regardless of a bidder's affiliation with any group or organization. Sales tax, if applicable, will be added to the total amount of each invoice including the buyer's charge.
4. **We cannot be responsible for any errors made by the bidder.** Please make certain you bid on the correct lot. When bidding for items in the sale, the bidder, whether bidding in person, by mail, or by agent, agrees to abide by all the terms of sale.
5. Telephone bids will not be executed **unless** they are confirmed in writing. **Under no circumstances will telephone bids be accepted after the closing date of the sale.** The estimate given each lot is for the general guidance of the bidder. The lots can sell above or below the estimates.
6. Claims for adjustment must be made in writing **within 7 days** after the delivery of the goods. **Title remains with COIN GALLERIES until items are paid in full.** It is the buyer's responsibility and obligation to have the lots fully insured while in his possession. Risk of loss is on the buyer. **No lot may be returned without a prior written consent for any reason whatsoever or without its original container.** Grading is a subjective description in the opinion of the cataloguer as to the state of preservation of a particular coin or lot. The term "proof" or "specimen" is used to describe a method of manufacture, and not a grade or condition. Such terms are the opinion of the cataloguer and shall be deemed to be part of the description and not an attribution. No warranty, whether expressed or implied, is made with respect to such adjectival descriptions, which can and do vary among experts. **Any lot marked "SOLD AS IS. NO RETURNS." may NOT be returned.**
7. Auction sales are not approval sales. In the event of non-payment by the buyer, COIN GALLERIES expressly reserves the right to refuse to deliver the lots and, in addition, COIN GALLERIES reserves any and all rights that it would be entitled to under the Uniform Commercial Code.
8. No lots inspected prior to the sale by the successful bidder or his agent may be returned.
9. Unknown bidders must establish credit references or submit a deposit of 25% of their bids. By bidding in this sale, even if for a corporation or another individual, a bidder personally guarantees prompt payment. We cannot accept bids from minors. By bidding in this sale, the bidder acknowledges that the purchase is not a consumer credit transaction.
10. Auction sales are strictly for cash and must be paid for in U. S. funds. By bidding in this sale, even if for a corporation or another individual, a bidder personally guarantees prompt payment. Checks are acceptable with proper identification. On any accounts past due, COIN GALLERIES reserves the right to extend credit and impose periodic charges as stated on the invoice or statement.
11. **Postage, insurance, and handling must be paid by the successful buyer. All lots delivered in New York State are subject to applicable Sales Tax. There is a minimum \$1.00 charge for handling.** This will account for any difference between our charges and the postage indicated on the shipment.
12. Except for any claim or controversy arising out of non-payment (which, at the exclusive option of the seller or auctioneer may be referred to arbitration), any claim or controversy arising out of this sale shall be settled exclusively by binding arbitration under the rules of the Professional Numismatists Guild, Inc., then in effect. By bidding in this sale, you agree to be bound by the arbitration provisions of the Professional Numismatists Guild.
